

AUTOMATION SUPPLY LTD

THE COMPANY

We are a small but successful, family owned company, providing a friendly, personal and professional service. Managing Director, John Hickson, has over 25 years experience within the security and gate installation industry.

Automation Supply became *Elecsa* registered for Part P certification in 2005 (Co. reg. No. 20178) and we are also a Member of The UK Trades Confederation (Quality Assured) and AESIF.

OUR SERVICES

TRADE COUNTER

Open from 8.15am, we stock a full range of products and you can also view working models. All products carry a 24-month warranty. The trade counter is conveniently located close to the northwest motorway network, just a few miles south of Manchester city centre.

GATE & INTERCOM INSTALLATIONS

Take advantage of our free site visit, survey and quotation. Where required, our own qualified engineers will carry out trade installation work to the highest standards. Customers have the added security of a 24-month warranty on parts & labour. Gate maintenance and servicing is also available.

TECHNICAL ASSISTANCE

We strive to be on hand to provide comprehensive technical support when required. Our dedicated technical support numbers are 07980 820558 or 07870 704633
